## Awards

### Projects

2019 My project "Stage di Fisica a Pisa" has been awarded the 2019 SIF (Società Italiana di Fisica, the Italian Physics Society) prize for the teaching of Physics. More info on this project can be found below.

### Physics Olympiad

2012/13 Silver medal in the National Physics Olympiad and the special award "Bosia" for the best experimental elaborate.

2013/2014 Bronze medal in the National Physics Olympiad. Part of the Italian national team in the 45th International Physics Olympiad (IPhO) in Astana, Kazakhstan. Bronze medal in the international competition.

2014/2015 Silver medal in the National Physics Olympiad. Part of the Italian national team in the 46th International Physics Olympiad (IPhO) in Mumbai, India. Silver medal in the international competition, the best result of the Italian team.

2018/2019 Participation to the International Finals of the PLANCKS competition, held in Odense in May 2019.

### Individual Mathematics Olympiad

2009/10 - Participation to the national competition of the Maths Games organized by Università Bocconi in Milan.

2011/12 - First place in the provincial phase of the Italian Maths Olympiad.

2012/2013 Participation to the national competition of the Kangourou Maths Games.

### Team Mathematics Olympiad

2010/11, Participation to the regional finals of the Italian Team Maths Olympiad.

2011/12  
2012/13, Participation to the national finals of the Italian Team Maths Olympiad.  
2013/14,  
2014/15

## Chemistry Olympiad

2013/2014 First place in my category in the regional competition. Unfortunately, I didn't compete in the national competition because it was at the same time as the national Team Maths Olympiad. The next year I didn't participate in the regional competition because it was again simultaneously with a Maths competition.

## Informatics Olympiad

2019/2020 Reserve for the Scuola Normale Superiore's team at the 2020 ICPC.
